The Revolutionary New Online Mentoring Program!

Become a Mentor for Graduate and Early Career Educators

Are you ready to make a lasting impact on the next generation of teachers?

Join MentorEd SA, an exciting online mentoring program designed to support and nurture graduate and early career teachers on their educational journey!

If you have 4 or more years of experience as a primary or secondary teacher with an interest in Maths or Science, you can become a mentor in the first phase of MentorEd SA.

It's totally free for mentors and mentees, the costs are covered by Educators SA a not-for-profit professional association that supports educators and professional association in SA.

Why Become a Mentor with MentorEd SA?

Empower the Next Generation: Shape the future of education by sharing your expertise, insights, and experiences with passionate new educators.

Fulfilment and Growth: Experience the joy of seeing your mentees thrive as you guide them through challenges, fostering their professional and personal growth.

Network Expansion: Build meaningful connections within the education community, expand your network, and collaborate with like-minded professionals.

Enhance Leadership Skills: Strengthen your leadership abilities as you provide guidance, motivation, and inspiration to your mentees.

Flexible Commitment: Enjoy the freedom to choose your mentoring duration - whether it's a short-term boost or a long-term partnership, it's entirely up to you and your mentee!

Convenient Online Platform: MentorEd SA connects online and enables you to meet with your mentee online or face to face; it's up to you what works best.

Stay Updated: Engage in dynamic discussions and stay up-to-date with innovative teaching practices, bringing fresh ideas to your own classroom.

Learn from each other: it's a two-way process. Most mentors feel they also learn from their mentee.

Pay it Forward: Remember the mentors who shaped your teaching career? Now, it's your turn to pay it forward and become a catalyst for others.
