

PRESCHOOL GOVERNING COUNCILLORS: LETS CONNECT!

It's time to lean into your role as Co-leaders
of Our Strategy for Public Education!

LIMITED
SPOTS!

It's time to lean into your role as Co-leaders of Our Strategy for Public Education!

As a Governing Council, you have a key leadership role to play as you learn and lead alongside the Preschool Director and Staff Team to create a learning and teaching environment where all children and their educators can thrive and prosper, learn and achieve. Get involved and launch into your leadership responsibilities now!

Come along to discuss and explore Our Strategy for Public Education with the Dept CE Professor Martin Westwell as we think our way forward to a world where every public education Preschool community is connected and exploring the Strategy in powerful ways.

Bring a governing council colleague – remember two heads are always better than one!

Each Governing Council is invited to bring up to three Governing Council Parent Members or Representatives so that you can learn and plan as a team!

Register here
