LEARN

Together in 2026!

Educators SA Governing Council and Parent Learning Calendar 2026

Helping your Governing Councillors and Parents build their power to contribute to the learning of their children and young people and their community!

EdSA is pleased to be able to provide a stream of professional learning for Governing Councillors and Parents in the Public Education Community. There are some sessions designed to support you in your role as Governing Councillors as well as some sessions designed for the general parent community.

We look forward to learning with and from you in 2026.
